— 23 November 2024

## Opening

Thursday, 24 October

7-9 pm

We invite you to our special opening of "30x40" a group project by Kalkman Gallery and Life is Art Gallery. Bringing together over 40 artists from our two galleries. Come join us for a drink and a fun evening!

This project started by giving all the invited artists a wooden painting panel of 30 x 40 x 6 cm, with the instruction of going any direction they want with it, the only limit being their own creativity. As a result they all create their own artwork with it, the only thing that connects all of them is the starting point. The boxes become a personification of the artist, giving the opportunity to share their perspective on this form.

featuring works of Alec Nierinck, Alessio Capone, Ann Buvens, Bas van den Hout, Beatrice Casse, Bortusk Leer, Dirk Vanderheken, Emily Kelly, Emmanuel Laflamme, Ena Podgorac + Ken Verhoeven, Faye, Gonzalo Morales, Guinness Vanhellemont, Hans Segers, Hayden Kays, Henk van Rensbergen, Hoodkitsch, James Howden, Jase Powell, Jesus Eloy, Jiyoung Chu, Joseph Steinger, Justine Lambrechts, Kev Munday, Klaas Op De Beéck, Lindert Steegen, Lucia Femia, Marta Galmozzi, Mitya, Nico Taeymans, Nina Mae Fowler, Onyou Park, Pauline Reyre, Plastic Jesus, Robin Adriaens, Senne Roekens, Serge Verstockt, Søren Vandegaard, Veronika Bezdenejnykh, Werner Van Dermeersch, Xavier Deleur, and Xuanlynn Wang
